Notes

Europa Oil & Gas (Holdings) plc has a diversified portfolio of multi-stage hydrocarbon assets that includes production, exploration and development interests, in countries that are politically stable, have transparent licensing processes, and offer attractive terms. The Company produced 165 boepd in the UK during the 2013/2014 financial year, generating sufficient revenues to cover corporate overheads and some exploration expenditure. Its highly prospective exploration projects include the Wressle (recently drilled and scheduled for testing) and Kiln Lane prospects (due to be drilled this year) in the UK; 100% owned gas exploration prospect (107 bcf) and appraisal project (CPR 277 bcf) in onshore France; and a joint venture with leading independent Kosmos to explore two licences in offshore Ireland with the potential to host large oil resources.
